- A little more about our November rally in Benson, AZ. Lisa has arranged for those interested in participating in an ATV Tour with Apache ATV Tours (<http://www.apacheatvtours.com/>) on Saturday November 12, 2022. Departure time will be announced later. This will be a 4 to 5 hour ride. Cost of the ride is estimated at \$175.00 for a single ATV and \$220 for a double ATV (front and back style). We can obtain pricing for a side by side two passenger or a side by side four passenger, if needed. Lisa will establish a reservation deadline later. Payment plus gratuity will be paid on the day of the ride to Apache Tours. A few of us have taken tours with Apache on previous trips to Benson and Tombstone and have had a great time. This tour will include a visit to the Mescal Movie Set (<https://www.mescalmovieset.com/>). The physical set was built as a town in 1968-1969 for *Monte Walsh*, starring Lee Marvin and Jack Palance. A succession of movies followed, including *The Life and Times of Judge Roy Bean* starring Paul Newman, *The Outlaw Josey Wales* with Clint Eastwood, and *Tom Horn* with Steve McQueen. The 1990s had major big-budget productions. *Tombstone* starred Kurt Russell, Val Kilmer, Sam Elliott, and many other notables such as Charlton Heston, Harry Carey Jr., and narration by Robert Mitchum. It has become a cult classic and easily the most quoted western of all time. *The Quick and the Dead* followed with Hollywood "A-Listers" Sharon Stone, Russell Crowe, Gene Hackman, and a very young Leonardo DiCaprio. This is an added bonus to the ATV tour!

- Lynn enjoyed a morning at the 2022 Whitesands Balloon Festival during September 2022.

# Off To Mississippi for the Masseys

Cindy and Bill left to visit family in Mississippi the day after the Lake Lyman rally. Driving first to Midland, TX they used their Harvest Host membership to spend the night at the Permian Basin Petroleum Museum <https://petroleummuseum.org/>. The parking lot was asphalt and level with space for several coaches. At dusk they walked through the outside exhibits seeing equipment used in the oil fields. Bill took time to tour the inside of the museum. A bonus, there is no charge to visit the museum as a Harvest Host member. The museum has areas dedicated to fine art; paintings of the Permian Basin were beautiful. One section is dedicated to the Chaparral race car. Did you know the Chaparral was developed in Midland? Another section was dedicated to minerals and fossils found in the Permian Basin and of course there are exhibits about the oil field and petroleum production. Apollo found the front yard of the museum quite appealing for an off-leash romp!

The following day the Massey's drove to Kilgore, TX again using HH, they spent the night at Britt's Wine and Dine <https://brittswine.com/> , a new winery in the Kilgore, TX area. The RV parking area is grass and very large, but because of the rain the owner had the two RVs visiting for the night park on the asphalt lot. The Massey's enjoyed some wine, a charcuterie board, and some conversation with the owner and another HH couple. Apollo found the wooded area on the perimeter of the property very appealing! The winery is in the former all black school of Kilgore that has a lot of history and is said to be haunted!

The next morning the rain had let up and the Massey's were off to West Monroe, LA where they stayed at Landry's Vineyard <https://landryvineyards.com>, another HH host property. The property sits on some rolling hills with two cabins and three full hook-up sites overlooking the vineyard. Across the street in the tasting room and wine making facility and more vines. The Landry's originally started their wine business just north of New Orleans, but after hurricane Katrina moved their operation to West Monroe, LA. Many of their wines is made with Muscadine, a large golden colored sweet grape.

The next morning was beautiful, and Apollo enjoyed an hour long run through the vineyards while Bill dealt with a dead battery on the Jeep, again. After getting the Jeep running Cindy and Bill drove to Jackson, MS where they had a nice lunch with Ashley and Cindy's dad, Charlie and stepmother, Dorothy. After lunch they continued to their final destination Little Black Creek Campground, <http://lbccampground.com/> about seven miles outside of Purvis, MS. The plans were to stay there for about a week and visit with Bill's sister and old school friends from the area.
