Columbus, NM March 2022

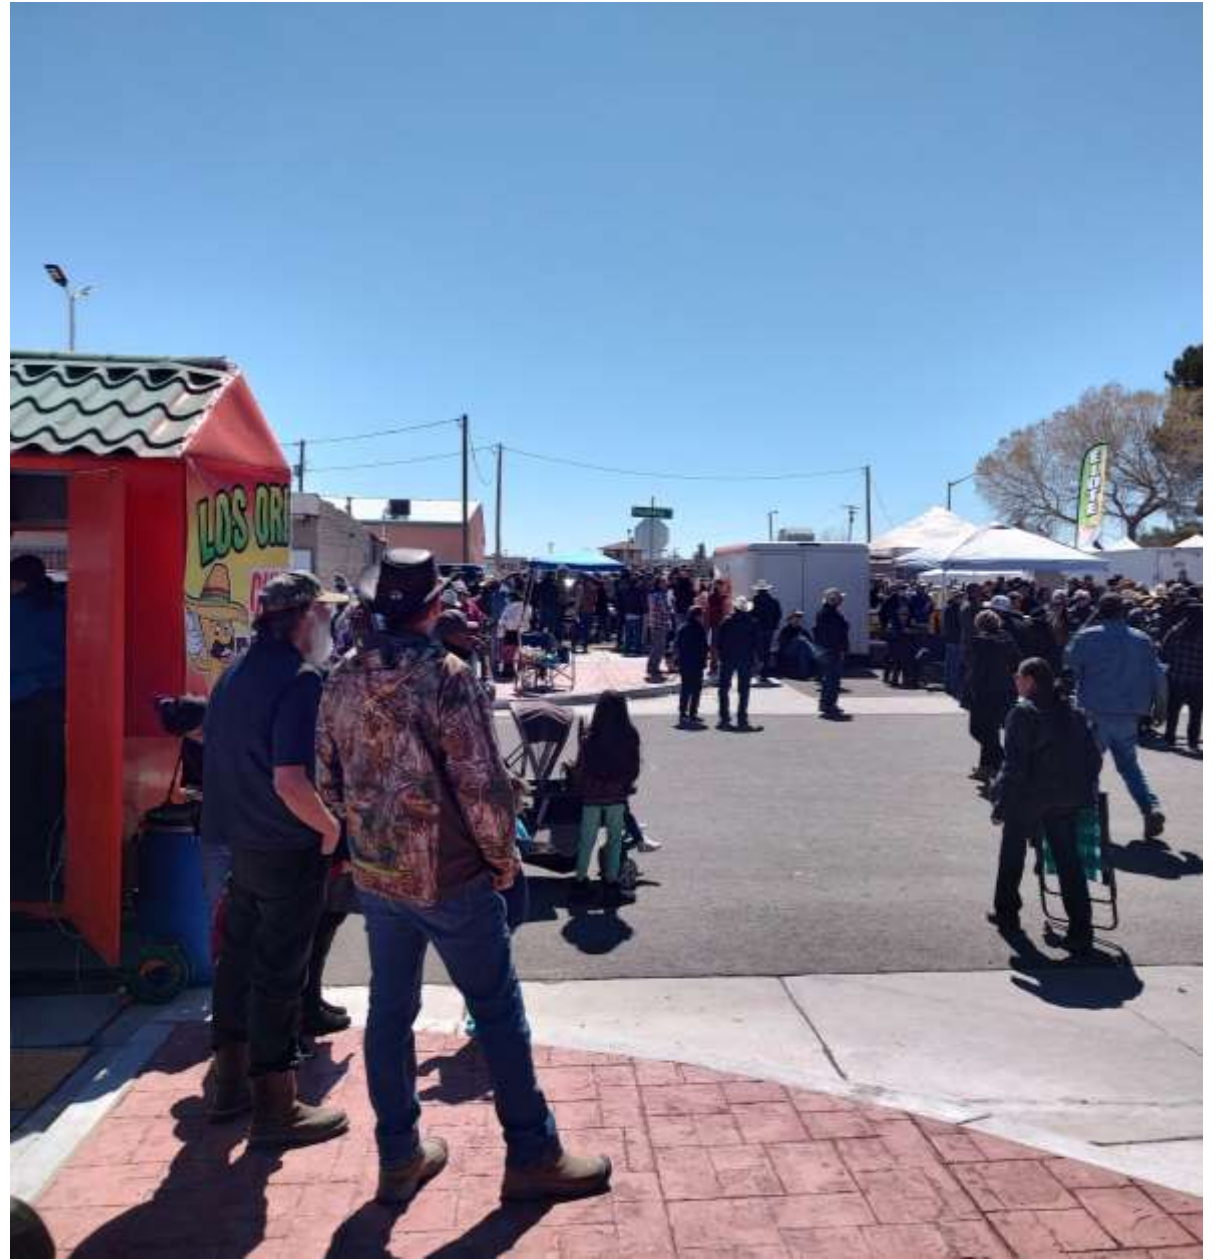

- March brought us a trip to Columbus, NM. We started with
- three coaches, Telfords, Masseys, and Parmans. The Telfords
- made it about twenty miles out of El Paso before they had
- Issue with their newly re-installed windshield and had to
- turn back. Not to be deterred they did come out for the day
- on Saturday.
- The weekend included trips to the Pink Store for lunch and
- Margaritas, a trip to Deming for ice cream, and another trip
- to Deming for Sunday lunch when we found no restaurants
- open in Columbus on Sunday.
- We took a quick visit to the Camp Furlong Days festivities, watched the horse parade from the park (Pancho Villa), and had a nice lunch at Patio Café.

Maitlands enjoy a cruise.

A sunset landscape with silhouetted trees and a bright sky. The sky is a mix of orange, yellow, and light blue, with some clouds. The trees are dark and leafless, creating a silhouette effect against the bright background. The overall scene is peaceful and scenic.

March brought a few of us attending the FMCA International Convention and Expo, Tucons, AZ. Those attending had the opportunity to visit with friends from across the US/Canada, attend great classes, visit with many RV related vendors, have upgrades and repairs done to their coaches, and take part in the many entertainment opportunities.

Chapters recruit new members during the Chapter Fair and Chapter Block Parties.

Willcox, AZ on the way to FMCA Expo Tucson, AZ March 2022

- Ever wonder what you miss by not attending an FMCA International Convention and Expo?

During early April, the Parmans, Telfords, and Masseys ventured back to Tucson, AZ for the Fourth Avenue Street Festival.

The short week was filled with a day of walking down Fourth Avenue visiting the hundreds of vendors selling their items.

I think everyone walked away with at least one or two have to have items, toe rings, pillows, omelet makers, sports signs, and knife sets.

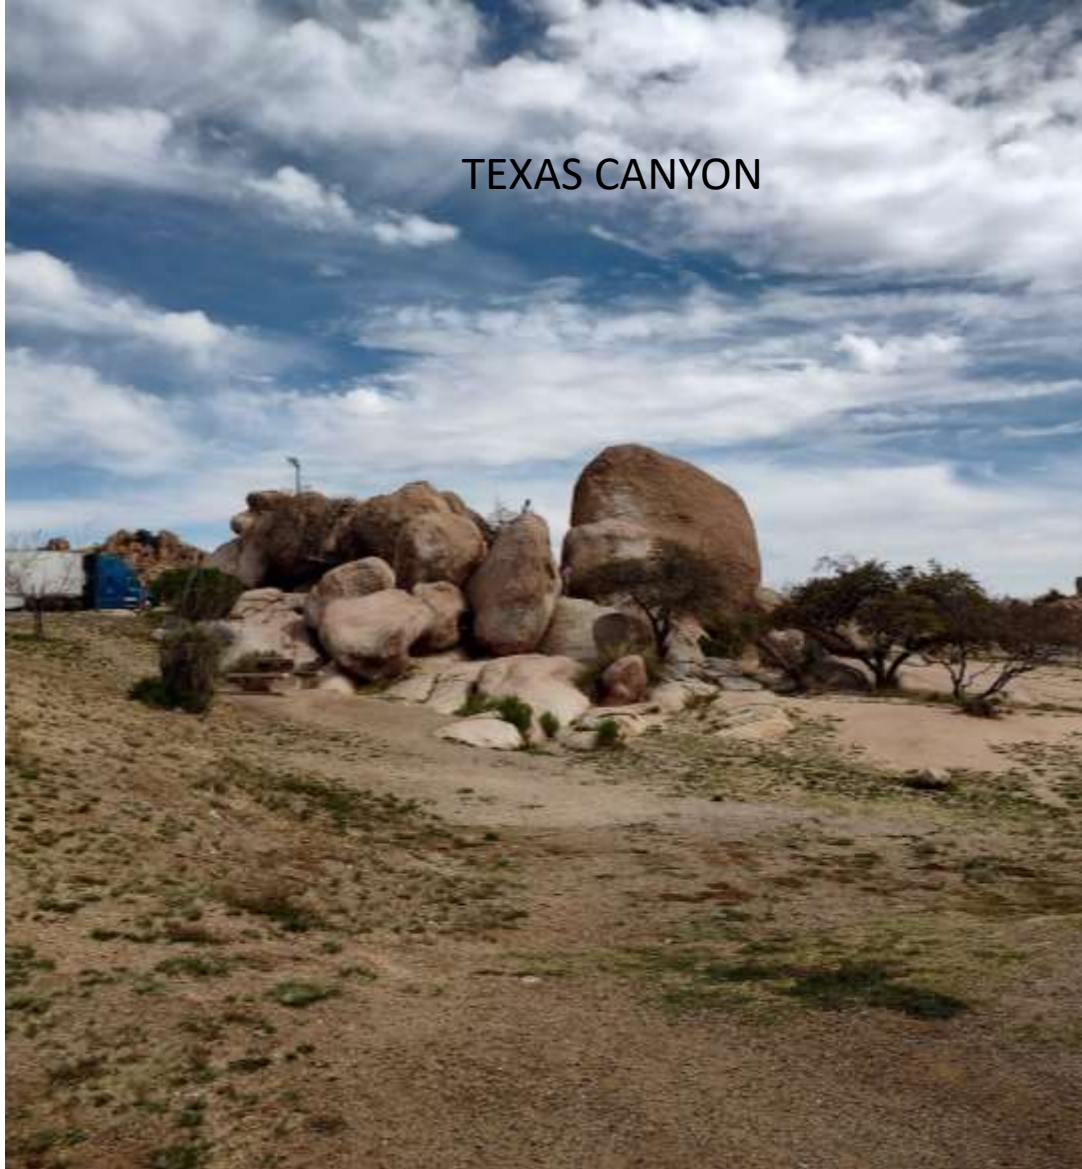

Of course on the way out their had to be a stop in Willcox, AZ for lunch at the Double S Steakhouse and on the return a stop at the Deming Dairy Queen (not really in Deming).

TEXAS CANYON

- **COOL PINES APRIL 2022**

- The end of April brought a trip to Cool Pines RV Park, Mayhill, NM. The park, under new ownership two years ago, has many new improvements. They have added many new sites, four are pull through sites! New picnic tables and chairs in the group area with a fire pit. We found the club house to be a great place to meet for meals and to play games. Every morning during the week at 0600 there is coffee in the club house. Several of the seasonal men meet to watch the local news and discuss current events. On Saturday the park provides coffee and pastries to all who want to venture down to the club house.

- The Masseys and Mayberrys ventured out for this trip, enjoying sunny and breezy days and cool evenings. They had a wonderful meal at the Mayhill Café, visited the Apple Barn in High Rolls, and took a drive to Runyan Ranches, a fruit stand some twenty-five miles east of Mayhill. On Saturday Dan & Rhoda Shulte and Jim & Lisa Telford drove up for the day. The four couples enjoyed a wonderful potluck and several hours of socializing. We met a new couple from the Alamogordo area, the Carl and Diane Arnold. We hope to see them at more of our outings in the future! Cindy and Bill were able to add an extra day to their stay and took a drive through Sixteen Springs Canyon. All of the sixteen springs were dry, but it was a beautiful drive.

- The park stays full during the summer months with seasonal campers, but all agreed this is a definite return place for early spring or early fall.

Bob and Kathy picked up a new coach!

Dan and Rhoda shared some Highlights of their recent trip to the Texas Hill Country

Highlights and pics from day 1 and day 2 of Hill Country trip. Saturday smooth El Paso departure with stop in Van Horn for lunch at Gilberts Mexican.

Then on to Fort Stockton RV park where we had dinner at the RV park Road Runner Restaurant.

Temps of 104 and rolling power brownouts to the entire park every hour so we ran the generator for 4 hours until the power outages finally stopped just after sunset.

Got to know Dwight and his wife next to us in a 2019 Tiffin. They were headed home near San Antonio, so we caravanned from Fort Stockton to Coopers BBQ in Junction for a mother's day lunch.

They continued on and we got to Old River RV park in Kerrville/Comfort mid afternoon --- hot here too so we spent 3 hours in the indoor pool....three other people joined us from a nearby 5th wheel and we just made it a party.
